MEMORANDUM

To: LHSAA Principal / Athletic Director / Parish Athletic Director
Superintendent / Head Coach

Subject: Select & Non-Select Designations / Post Season Brackets 2022-2023

Date: September 9, 2022

The LHSAA Executive Committee held its first of four regularly scheduled committee meetings for 2022-2023 this past Wednesday and Thursday September 7th and 8th 2022. Several hours were spent on Wednesday hearing appeals from member school parish leaders and/or individual principals regarding their status as a select school designation. Of those appeals, 26 schools' appeals were honored and have since had their post season designation changed to non-select. The total number of schools in the non-select designation for the 2022-2023 post season is now established at 217 (52.93%). The total number of schools in the select designation for the 2022-2023 post season is now 193 (47.07%). On Thursday, the bulk of the time was spent by committee and staff analyzing the number of schools in each designation and those respective split sports post season brackets, while keeping parity and competitive as a goal amongst all five sports. The results from this work produced the attached brackets and alignments.

Best Regards,

Eddie Bonine
